REPORT

Ms. Rahel Mezemir Sis Negat Woldehawariat, St-Paul Millennium Medical College Ethiopia had visited Narayana Nursing Institutions on **06-04-2018**.

St Paul hospital was built in 1969 as an autonomous higher education institution under federal minister of health located at Addis Ababa, Ethiopia, it currently has 392 beds with annual average of 200,000 patients and catchment population of 5 million. The medical school opened in 2007, the new millennium era of the Ethiopia calendar, on top of this residency program in different field of study offered such as surgery, Gynecology, ENT, nephrology, internal medicine, ophthalmology, maxillofacial surgery, epidemiology etc.

Dr. Indira, Nursing Dean, Narayana Nursing Institutions given little introduction about the college and hospital. Narayana Nursing Institutions were established under the aegis of Narayana Educational Society (a registered body) in the academic year 2002-03, under the dynamic leadership of Dr. P. Narayana, Founder Chairman, a Gold Medalist in Statistics. His Vision to create world class Nurses through an organized and systematic nursing education. The Institutions offer excellent quality modern education with the simple philosophy of "Give the Best and Get the Best". The Nursing Institutions provide comprehensive education, both theoretical and practical, which are designed to sharpen critical thinking skills, stimulate scientific inquiry, develop effective practice and cultivate qualities of compassion and caring the Nursing Institutions. The students provide excellent academic exposure through various continuing nursing education programmes, conferences, workshops, an exhaustive Digital library and visits of eminent personalities by which they have the opportunity to develop skill from patient clinics, casualty, emergency, critical care units, operation theatres, inpatient wards, radio diagnostic units and central advanced clinical

laboratories in the teaching parent hospitals i.e. Narayana Medical College Hospital situated in the same premises. It is a 1780 bedded hospital with all super specialties like cardiology, cardiothoracic, urology, nephrology with KTU, Surgical Gastroenterology, Medical Gastroenterology, Plastic surgery, Neurology, Neuro Surgery and total of 220 intensive care beds. It has separate emergency care unit and casualty etc. This will help to update the development of budding nurses.

To achieve the objects of the Narayana Nursing Institutions, Chinthareddypalem, Nellore, Andhra Pradesh, India, Pin: 524 003 and St Paul's Hospital Millennium Medical College Addis Ababa, Ethiopia agree to implement this Memorandum of Understanding.

The meeting was ended with the plantation in the campus as remembrance of the guests and felicitation of our guests as a token of love from Narayana Nursing Institutions.

GLIMSES OF THE MEETING:
