to give proper guidance | instructions for the safety of their daughters. It is also noticed that students are using mobile phones excessively. This leads to lack of sleep, lack of concentration in classes, letting attendance to college and clinical postings. Also lead to health impairment. It will be better, parents provide simple model of phone to communicate with their daughter to avoid the above problem. It is given to parents to decide. For the safety of students, Parents are requested to make arrangements to visit | to take outings only with authorized guardians, given at the time of admission. Avoid parents of other students facing the students for outing. Also, the parents the parents for exiting. Also, she requested to see that their daughter are following advice whenever they are going for mess or study hours. Faculty are also find them and train and advising the students to follow modesty in dress, and
