WORLD POPULATION DAY REPORT (2021)

Theme: Rights and choices

This year's World Population Day theme is Rights and choices are the answer: Whether baby boom or bust, the solution to shifting fertility rates lies in prioritizing the reproductive health and rights of all people

As part of the Community Health Nursing Department, the Narayana College of Nursing commemorated World Population Day 11 July 2021. The programme was performed via Zoom Meeting, with a total of 45 attendees. The programme began with a prayer song and was followed by a welcome song. Prof. Vanaja Kumari delivered the welcome address, followed by sessions by Prof. Kalpana and Mrs. Anusha Asst. Prof. Mrs. Vanaja Kumari Professor, Narayana College Of Nursing talked about the history of the World Population Day. She talked regarding the establishment and awareness about the population issues. The World Population Day is observed with the goal of highlighting the difficulties created by overpopulation and raising awareness about how overpopulation may harm the ecosystem and progress of humanity. T.Usha kiran participated in the program by presenting a talk regarding the population issues and the program concluded with National Anthem.
