REPORT ON HERBAL GARDEN VISIT

DATE: 16/04/2024

FACULTY: MS. Girija

STUDENT GROUP: B.Sc(N) & P.B.B.Sc (N)

106 Nursing students visited the herbal garden after obtaining permission from the concerned authority which is, available in the Narayana Medical College and Hospital Campus the visit was planned to fulfil the following objectives:

- To encourage students to use herbals in food the competition has three major components
- Herbal posture with recipe use of herbs is increasing in cookery practices and forms and important dietary supplements.
- To encourage and promote college to introduce the home herbal garden concept to students.
- To educate students in identifying different types of herbs and their uses including growing them in garden.
- To inoculate sense of familiarity from childhood with surrounding biodiversity and its conservation especially herbal plants.

During the visit they were involved in planting sapling during gardening programme, spraying insecticides to avoid damaging of plants. Watering and looking after plants. This helps in identification of various plants on a regular basis. Cleaning surrounding of plants.

Students are motivated to take benefit of this garden to identify species and to understand the morphological characterization of medicinal plants.

This visit was considered much useful to know more about the herbs, plants with their medicinal values. The students had given the feedback that the visit was very useful and helpful in research activities.

REPORT ON HERBAL GARDEN VISIT

DATE: 18/04/2024

FACULTY: MS. USHAKIRAN

STUDENT GROUP: M.Sc (N)

6M.Sc Nursing students visited the herbal garden after obtaining permission from the concerned authority which is, available in the Narayana Medical College and Hospital Campus the visit was planned to fulfil the following objectives:

- To encourage students to use herbals in food the competition has three major components
- Herbal posture with recipe use of herbs is increasing in cookery practices and forms and important dietary supplements.
- To encourage and promote college to introduce the home herbal garden concept to students.
- To educate students in identifying different types of herbs and their uses including growing them in garden.
- To inoculate sense of familiarity from childhood with surrounding biodiversity and its conservation especially herbal plants.

During the visit they were involved in planting sapling during gardening programme, spraying insecticides to avoid damaging of plants. Watering and looking after plants. This helps in identification of various plants on a regular basis. Cleaning surrounding of plants.

Students are motivated to take benefit of this garden to identify species and to understand the morphological characterization of medicinal plants.

This visit was considered much useful to know more about the herbs, plants with their medicinal values. The students had given the feedback that the visit was very useful and helpful in research activities.

REPORT ON ANIMAL HOUSE VISIT-2022-2023

DATE:02-01-2023

HOURS :8HRS

GROUP : B.Sc (N) & P.B.B.S.c(N)

FACULTY : Ms Smitha Madhavan

The animal house facility at Narayana medical college Hospital is available to boost the teaching training and research facilities and to meet the growing demand for high-quality laboratory animals in the emergent field of Experimental Pharmacology. Qualified veterinarians and technical personnel are always at hand to help carry out research. is registered with Committee for the Purpose of Control and Supervision of Experiments on Animals (CPCSEA), Govt. of India, Ministry of Environment, Forest & Climate Change, Animal Welfare Division, New Delhi, vide Registration No.: **1859/PO/Re/16/CPCSEA**.

The Objectives to visit Animal houses are to

- gain knowledge on feeding and caring of animals
- gain knowledge on dissections
- develop the research skills

Permission obtained from the principal and animal House in-charge to visit animal house. Students were informed that no animal is harmed during the visit. Total of 130 students of B.Sc and P.B.B.Sc visited. Students had spent 8 Hrs in the animal House. They observed the feeding pattern, dissections on animals, and how the research activities are carried out on the animals. For the entire span of the visit, each student was entrusted with one animal which they had to feed and look after. The medicine administration method was elaborately explained by the veterinarian. This is not only helped them in the implementation of practical skills but also provided them with a mentally and emotionally fulfilling experience.

The students had given the feedback that the visit was very useful and helpful in research activities. They expressed that the visit was useful not only to have awareness but also provided them with a mentally and emotionally fulfilling experience.

REPORT ON ANIMAL HOUSE VISIT-2022-2023

DATE:03-01-2023

HOURS :8HRS

GROUP : M.Sc (N)

FACULTY : Mrs. Suchithra

The animal house facility at Narayana medical college Hospital is available to boost the teaching training and research facilities and to meet the growing demand for high-quality laboratory animals in the emergent field of Experimental Pharmacology. Qualified veterinarians and technical personnel are always at hand to help carry out research. is registered with Committee for the Purpose of Control and Supervision of Experiments on Animals (CPCSEA), Govt. of India, Ministry of Environment, Forest & Climate Change, Animal Welfare Division, New Delhi, vide Registration No.: **1859/PO/Re/16/CPCSEA.**

The Objectives to visit Animal houses are to

- gain knowledge on feeding and caring of animals
- gain knowledge on dissections
- develop the research skills

Permission obtained from the principal and animal House in-charge to visit animal house. Students were informed that no animal is harmed during the visit. Total of 13 students of M.Sc visited. Students had spent 8 Hrs in the animal House. They observed the feeding pattern, dissections on animals, and how the research activities are carried out on the animals. For the entire span of the visit, each student was entrusted with one animal which they had to feed and look after. The medicine administration method was elaborately explained by the veterinarian. This is not only helped them in the implementation of practical skills but also provided them with a mentally and emotionally fulfilling experience.

The students had given the feedback that the visit was very useful and helpful in research activities. They expressed that the visit was useful not only to have awareness but also provided them with a mentally and emotionally fulfilling experience.

REPORT ON HERBAL GARDEN VISIT-2021-2022

DATE: 10/08/2021

FACULTY: MS. SMITHA MADHAVAN

STUDENT GROUP: B.Sc(N) & P.B.B.Sc (N)

118 Nursing students visited the herbal garden after obtaining permission from the concerned authority which is, available in the Narayana Medical College and Hospital Campus the visit was planned to fulfil the following objectives:

- To encourage students to use herbals in food the competition has three major components
- Herbal posture with recipe use of herbs is increasing in cookery practices and forms and important dietary supplements.
- To encourage and promote college to introduce the home herbal garden concept to students.
- To educate students in identifying different types of herbs and their uses including growing them in garden.
- To inoculate sense of familiarity from childhood with surrounding biodiversity and its conservation especially herbal plants.

During the visit they were involved in planting sapling during gardening programme, spraying insecticides to avoid damaging of plants. Watering and looking after plants. This helps in identification of various plants on a regular basis. Cleaning surrounding of plants.

Students are motivated to take benefit of this garden to identify species and to understand the morphological characterization of medicinal plants.

This visit was considered much useful to know more about the herbs, plants with their medicinal values. The students had given the feedback that the visit was very useful and helpful in research activities.

REPORT ON HERBAL GARDEN VISIT-2021-2022

DATE: 10/08/2021

FACULTY: MS. USHAKIRAN

STUDENT GROUP: M.Sc (N)

9M.Sc Nursing students visited the herbal garden after obtaining permission from the concerned authority which is, available in the Narayana Medical College and Hospital Campus the visit was planned to fulfil the following objectives:

- To encourage students to use herbals in food the competition has three major components
- Herbal posture with recipe use of herbs is increasing in cookery practices and forms and important dietary supplements.
- To encourage and promote college to introduce the home herbal garden concept to students.
- To educate students in identifying different types of herbs and their uses including growing them in garden.
- To inoculate sense of familiarity from childhood with surrounding biodiversity and its conservation especially herbal plants.

During the visit they were involved in planting sapling during gardening programme, spraying insecticides to avoid damaging of plants. Watering and looking after plants. This helps in identification of various plants on a regular basis. Cleaning surrounding of plants.

Students are motivated to take benefit of this garden to identify species and to understand the morphological characterization of medicinal plants.

This visit was considered much useful to know more about the herbs, plants with their medicinal values. The students had given the feedback that the visit was very useful and helpful in research activities.

REPORT ON HERBAL GARDEN VISIT-2019-2020

DATE: 05/08/20219

FACULTY: MS. TEJASWANI

STUDENT GROUP: B.Sc(N) & P.B.B.Sc (N)

117 Nursing students visited the herbal garden after obtaining permission from the concerned authority which is, available in the Narayana Medical College and Hospital Campus the visit was planned to fulfill the following objectives:

- To encourage students to use herbals in food the competition has three major components
- Herbal posture with recipe use of herbs is increasing in cookery practices and forms and important dietary supplements.
- To encourage and promote college to introduce the home herbal garden concept to students.
- To educate students in identifying different types of herbs and their uses including growing them in garden.
- To inoculate sense of familiarity from childhood with surrounding biodiversity and its conservation especially herbal plants.

During the visit they were involved in planting sapling during gardening programme, spraying insecticides to avoid damaging of plants. Watering and looking after plants. This helps in identification of various plants on a regular basis. Cleaning surrounding of plants.

Students are motivated to take benefit of this garden to identify species and to understand the morphological characterization of medicinal plants.

This visit was considered much useful to know more about the herbs, plants with their medicinal values. The students had given the feedback that the visit was very useful and helpful in research activities.

REPORT ON HERBAL GARDEN VISIT-2019-2020

DATE: 05/08/20219

FACULTY: MS. TEJASWANI

STUDENT GROUP: M.Sc (N)

21M.Sc Nursing students visited the herbal garden after obtaining permission from the concerned authority which is, available in the Narayana Medical College and Hospital Campus the visit was planned to fulfill the following objectives:

- To encourage students to use herbals in food the competition has three major components
- Herbal posture with recipe use of herbs is increasing in cookery practices and forms and important dietary supplements.
- To encourage and promote college to introduce the home herbal garden concept to students.
- To educate students in identifying different types of herbs and their uses including growing them in garden.
- To inoculate sense of familiarity from childhood with surrounding biodiversity and its conservation especially herbal plants.

During the visit they were involved in planting sapling during gardening programme, spraying insecticides to avoid damaging of plants. Watering and looking after plants. This helps in identification of various plants on a regular basis. Cleaning surrounding of plants.

Students are motivated to take benefit of this garden to identify species and to understand the morphological characterization of medicinal plants.

This visit was considered much useful to know more about the herbs, plants with their medicinal values. The students had given the feedback that the visit was very useful and helpful in research activities.

REPORT ON ANIMAL HOUSE VISIT-2019-2020

DATE:08-08-2019

HOURS:8HRS

GROUP:B.Sc (N) & P.B.B.S.c(N)

FACULTY:Ms. Elizabeth Jasmine

The animal house facility at Narayana medical college Hospital is available to boost the teaching training and research facilities and to meet the growing demand for high-quality laboratory animals in the emergent field of Experimental Pharmacology. Qualified veterinarians and technical personnel are always at hand to help carry out research. is registered with Committee for the Purpose of Control and Supervision of Experiments on Animals (CPCSEA), Govt. of India, Ministry of Environment, Forest & Climate Change, Animal Welfare Division, New Delhi, vide Registration No.: **1859/PO/Re/16/CPCSEA**.

The Objectives to visit Animal houses are to

- gain knowledge on feeding and caring of animals
- gain knowledge on dissections
- develop the research skills

Permission obtained from the principal and animal House in-charge to visit animal house. Students were informed that no animal is harmed during the visit. Total of 117 students of B.Sc and P.B.B.Sc visited. Students had spent 8 Hrs in the animal House. They observed the feeding pattern, dissections on animals, and how the research activities are carried out on the animals. For the entire span of the visit, each student was entrusted with one animal which they had to feed and look after. The medicine administration method was elaborately explained by the veterinarian. This is not only helped them in the implementation of practical skills but also provided them with a mentally and emotionally fulfilling experience.

The students had given the feedback that the visit was very useful and helpful in research activities. They expressed that the visit was useful not only to have awareness but also provided them with a mentally and emotionally fulfilling experience.

REPORT ON ANIMAL HOUSE VISIT-2019-2020

DATE:08-08-2019

HOURS:8HRS

GROUP:M.Sc (N)

FACULTY:Ms. Elizabeth Jasmine

The animal house facility at Narayana medical college Hospital is available to boost the teaching training and research facilities and to meet the growing demand for high-quality laboratory animals in the emergent field of Experimental Pharmacology. Qualified veterinarians and technical personnel are always at hand to help carry out research. is registered with Committee for the Purpose of Control and Supervision of Experiments on Animals (CPCSEA), Govt. of India, Ministry of Environment, Forest & Climate Change, Animal Welfare Division, New Delhi, vide Registration No.: **1859/PO/Re/16/CPCSEA**.

The Objectives to visit Animal houses are to

- gain knowledge on feeding and caring of animals
- gain knowledge on dissections
- develop the research skills

Permission obtained from the principal and animal House in-charge to visit animal house. Students were informed that no animal is harmed during the visit. Total of 21 students of M.Sc Nursing visited. Students had spent 8 Hrs in the animal House. They observed the feeding pattern, dissections on animals, and how the research activities are carried out on the animals. For the entire span of the visit, each student was entrusted with one animal which they had to feed and look after. The medicine administration method was elaborately explained by the veterinarian. This is not only helped them in the implementation of practical skills but also provided them with a mentally and emotionally fulfilling experience.

The students had given the feedback that the visit was very useful and helpful in research activities. They expressed that the visit was useful not only to have awareness but also provided them with a mentally and emotionally fulfilling experience.

REPORT ON HERBAL GARDEN VISIT-2020-2021

DATE: 17/11/2020

FACULTY: MS. USHAKIRAN

STUDENT GROUP: B.Sc(N) & P.B.B.Sc (N)

125 Nursing students visited the herbal garden after obtaining permission from the concerned authority which is, available in the Narayana Medical College and Hospital Campus the visit was planned to fulfil the following objectives:

- To encourage students to use herbals in food the competition has three major components
- Herbal posture with recipe use of herbs is increasing in cookery practices and forms and important dietary supplements.
- To encourage and promote college to introduce the home herbal garden concept to students.
- To educate students in identifying different types of herbs and their uses including growing them in garden.
- To inoculate sense of familiarity from childhood with surrounding biodiversity and its conservation especially herbal plants.

During the visit they were involved in planting sapling during gardening programme, spraying insecticides to avoid damaging of plants. Watering and looking after plants. This helps in identification of various plants on a regular basis. Cleaning surrounding of plants.

Students are motivated to take benefit of this garden to identify species and to understand the morphological characterization of medicinal plants.

This visit was considered much useful to know more about the herbs, plants with their medicinal values. The students had given the feedback that the visit was very useful and helpful in research activities.

REPORT ON HERBAL GARDEN VISIT-2020-2021

DATE: 17/11/2020

FACULTY: MS. SUCHITHRA

STUDENT GROUP: M.Sc (N)

20M.Sc Nursing students visited the herbal garden after obtaining permission from the concerned authority which is, available in the Narayana Medical College and Hospital Campus the visit was planned to fulfil the following objectives:

- To encourage students to use herbals in food the competition has three major components
- Herbal posture with recipe use of herbs is increasing in cookery practices and forms and important dietary supplements.
- To encourage and promote college to introduce the home herbal garden concept to students.
- To educate students in identifying different types of herbs and their uses including growing them in garden.
- To inoculate sense of familiarity from childhood with surrounding biodiversity and its conservation especially herbal plants.

During the visit they were involved in planting sapling during gardening programme, spraying insecticides to avoid damaging of plants. Watering and looking after plants. This helps in identification of various plants on a regular basis. Cleaning surrounding of plants.

Students are motivated to take benefit of this garden to identify species and to understand the morphological characterization of medicinal plants.

This visit was considered much useful to know more about the herbs, plants with their medicinal values. The students had given the feedback that the visit was very useful and helpful in research activities.
