Narayana College of Nursing establishes, implements and maintains a Student Council policy that;

The student council is created to include all the students under a single umbrella and to initiate and carry out all the students' activities through the nominated members of this Council to promote unity among the students.

**SCOPE:** This policy applies to all the Narayana College of Nursing programs.

### PURPOSES

1. The Council stimulates the students with a sense of responsibility, dedication and a purpose to put their selfless efforts and work towards the goal.
2. Students are given as many opportunities as possible to practically implement what they learn and aspire to be through the student council.
3. The Council is utilized to put forward and inculcate novel and innovative ideas of the young generation in various aspects of the college like teaching, research, sports and cultural activities.
4. Thus, in this way, the students are given equal rights for the smooth functioning of the college.
5. The Student council mainly helps to share students, ideas, interests and concerns with teachers and others.
6. It serves to encourage the student to learn about leadership.
7. The Council has been restructured from time to time to handle new demands.
