3.2.1 Describing the available Incubation centre and evidence of its functioning with in 200 words

Narayana college of Nursing plans the innovative research pathway in established incubation centre by Narayana medical College with all advanced equipments and infrastructure

VISION:

Institutional Incubation Centre is a space for new entrepreneurs and young minds transform their innovative ideas into research and Evidenced based care, Incubation will ensure that incubates have access to technological assistance which will be generated through mentors with multidisciplinary expertise.

NTRC (recognized by DSIR, Govt. of India) – The main goal of the incubator is to promote innovation through research and entrepreneurial endeavors in healthcare-related fields, with a particular emphasis on raising up a new generation and turning cutting-edge research into valuable intellectual property. The infrastructure of the facility is of world class with a built in area of 16,000 Sq.Ft. with ultra and recent technological equipment.

INSTITUTIONAL INNOVATION COUNCIL

The Narayana Professional colleges like Medical, Dental, Nursing Pharmacy and physiotherapy Collaboratively created the Institutional Innovation Council (IIC) in 2021 to promote innovative thinking among the students and foster a culture of inquiry. The IIC often hosts a variety of guest lecturers and impact lecture series and innovative activities, it allows expression of deeply held beliefs and improves communication between students and research professionals.
