4.1.2 The institution has adequate facilities for cultural activities, sports, games, and gymnasium, etc

INTRODUCTION:-

Realizing the proven fact fiat "Health is Wealth" and "A Healthy mind lives in a healthy body" Narayana College of Nursing has taken all the necessary measures for providing good physical education to all its students.

As a first measure, a qualified Asst. professor in Physical Education has been appointed way back in the year 2003 and with an unbroken and active service of more than 12 years of Asst. Professor. J. Silvi Babu, Narayana Medical College has developed a sprawling Physical Education Department in an extent of 16 acres. This department includes both Indoor and outdoor studios with international standards. Continual physical education training goes on in the department. The Department and stadia are kept open from 6.30 am to 6.30 p.m. for free access by the instructed students at their convenient time without any disturbance to their academic schedules.

The inmates of the hostels can utilize the services and facilities of the department right from 5.30 A.M in the morning and up to 8.30 P.M in the evening. Guidance and coaching in different sports and games are offered regularly. Motivation classes are also conducted for maintaining good physical and also participating in different games and sports events.

INFRASTRUCTURE:-

Narayana College of Nursing had realized the fact that without proper infrastructure, the will to excel in physical education remains distant. Hence, the college had developed fitting infrastructure of the track, Indoor, and outdoor stadium with international standards. The details of the infrastructure have been mentioned below.

BICEP CURE

Outdoor stadia:-

- a) Two Volley Ball Courts have been constructed with international standards.
- b) Two Basket Ball Courts also have been made available.
- c) Sensing the interest of the students, in table tennis and tennis, two table tennis courts and a common Lawn Tennis court have been constructed. A notable point is that all the above courts are furnished with synthetic flooring. They have also been provided with floodlights in night also, enabling the players to practice.
- d) A fully developed and well-maintained track also has been developed for practicing sprints and field events like 400 meters and eight lanes.
- e) A cricket stadium, for practicing the most popular game in India has been made available to the players with turf pitches.
- f) Kabaddi and kho – kho games have been accorded due importance by the construction of the counts with standard measurements.
