REPORT ON LIBRARY USER EDUCATION PROGRAM

A Library User Education Program was conducted in Narayana College of Nursing for I year B. Sc Nursing students on 03.02.2018. The objective of the program was to make the students understand how to use the library effectively. I year students are new to the environment of the library and not much familiar with the process of the library.

Ms. Anjani Devi explained the process of library usage and the library time need to follow by the students. These students were also oriented on how they can utilize DR. NTRMEDNET access for browsing the e-content of books, journals, etc.

REPORT ON LIBRARY USER EDUCATION PROGRAM

A program was conducted on the Library User Education Program in Narayana College of Nursing for I year B. Sc Nursing students on 09.02.2019. It was intended to make the students familiarize themselves with the library procedure. I year students are new to the environment of the library and not much familiar with the process of the library.

All the students were allowed to use DR. NTRMEDNET access for browsing the e-content of books, journals, etc. Ms. Anjani Devi explained the process of library usage and the library time need to follow by the students. Biometric attendance for the students and faculty was introduced and all are instructed to follow the attendance procedure.

REPORT ON LIBRARY USER EDUCATION PROGRAM

A program was conducted on the Library User Education Program in Narayana College of Nursing for I year B. Sc Nursing students on 08.02.2020. We believe that it is our responsibility to make the students familiarize themselves with the library procedure and its digital usage. I year students are new to the environment of the library and not much familiar with the process of the library.

Students were explained regarding the vast possibility of using the e-content of books, journals, etc. through DR. NTRMEDNET access by Ms. Anjani Devi. They were taught how to search for the relevant literature for their academic purpose. All are instructed to give biometric attendance in everyday usage of the library.

Library usage by students
