Soft skills

The faculties teach the essential soft skills include excellent communication interpersonal interaction skills, leadership/management abilities, professionalism, flexibility, a positive attitude, decorum in working area, punctuality, and being a team player, creative thinker, problem solver, complete work on time and identifying the self strength in class room and clinical area.

Students are taught the principles of caring, excellence and integrity, and exposed to the finest level of skills and healthy learning environment, Catering to the all needs of student we are supporting curricular and extracurricular aspects and facilitating their growth personally emotionally and professionally. We are organizing various activities to enhance the soft skills of students. Every year in the view of college day, various competitions like singing, dance, myme, face painting, rangoli, drawing, painting and Nakshatra Teja's galaxy, maximum of students will participate and exhibit their skills.

We embolden students to involve in formal debates to refine their critical thinking and presentation skills. We are engaging students in debates to bring real life education to the classroom. They are participating the music competitions, it helps to improve focus, language and reasoning and self-confidence and social skills it brings academic development as well. Competitions like drawing, painting, poster presentation, rangoli and other activities will improve their artistic and presentation skills. We encourages to involve students in competitions like poem writing, essay writing etc to help them manage in academic and personal life.

The skills of intellectual, behaviour ,attitude, personality traits, communication and interpersonal relationship are promoted by conducting personality development and cognitive behaviour therapy .

Creative Thinking skills

Essential soft skills like creative thinking will take the students to amazing heights ,do something as creative is resilience but we train the students to rebuild and bring out their inner strength on pretty good creative skills .

On regular basis ,we conduct competitions like collage work, pencil drawing ,face painting, poster presentations, spot painting and rangoli on the occasion of cultural week and important health day celebration and participate the workshop and conference in and around the nation .SNA and NSS committee lead a meeting to organise such programme and to conduct the above competitions to bring out the creative skills of the student. The committee circulates the circular which is duly signed by principal to all faculties ,students and display it in to common notice board, the students practice the theme and concept under the guidance of respective faculties and the event is organised and the winners are encouraged with rewards

Writing skills –Essay and poem writing

We believe each student has their own creativity, innovation and imagination which also helps to improve their writing and critical thinking skills. Competition such as poem writing and essay

Leaderships skills

The college organises leadership programme with the eminent leaders to train and develop the skills of socialization, communication, delegation, problem solving.

Skills of Team work

In our institution the total students are grouped into several team to build and enhance their communication, maintain positive rapport and develop trust with them.

The students are grouped as following team such as organization, reporting, mess, invitation, prize distribution, students welfare, curriculum and evaluation, discipline, sports, alumni, cultural, audit, health, decoration, SNS and NSS to carry out their specific task. Each team has senior students to guide the junior with help of faculties guidance. Whenever we organise any programme and celebrate festival, each team of student lead a meeting with their main objective and it executed successfully with team participation

Communication skills

As part of curriculum, the students are developing their communication skills and its importance for personal and professional life. Communication skills of our students are established and maintained through team work and involving various curricular and extracurricular activities.

National Youth Day (12th Jan 2021)

National Youth Parliament Festival 2021

National youth day is celebrated every year on 12th Jan to commemorate the birthday of Swami Vivekananda, NSS cell of Narayana college of Nursing conducted Youth parliament with the theme of "Vocal for Local" as stated by the Ministry of Youth Affairs and Sports Government of India, Dr. Indira A Principal, Dr. Rajeshwari Vice principal and other HODS and Mrs. T. Usha kiran Nss programme officer were involved in the program on the view to that the programme was organized in physically, due to Covid-19 situation with limited audience by following social distancing measure; Students volunteers from all the years were participated on the objectives of youth parliament,

the total of 45 participants were involved in the programme the volunteers gave their voice on few aspects like communication, develop and enhance decision-making abilities. How youth can uplift to engage with public issues, role of the youth in understanding the view of common man's point, form their opinions, as the young generation how to express their view to solve the problem in an articulated manner. Volunteers expressed about the policymakers and implementers to take it forward as the youth ideas. They discussed about how to develop an understanding among them regarding rules. Few students told about the essentiality of using made in India products and how it uplifts the economic support. The volunteers elicited points on youth participation in conducting voting system. Volunteers were discussed about the technological evolutions, data and privacy, vocal for local,
