7.1.2 Measures initiated by the Institution for the promotion of gender equity during the last five years.

Curricular Activities and co-curricular activities: Narayana College of Nursing is an exclusive girl's college and has always kept effort to sensitize and create awareness on gender equity among the students. Through this effort our students are getting an opportunity to gain awareness on social problems pertaining to the girls and how to handle it effectively. In this aspect, institution has taken initiative to conduct many programmes such as Self defense training program and Equality to address the issue of Gender Discrimination. Other than all these programs, institution is celebrating International Women's day every year based on the theme for example Women's day. As a part of nurturing the healthy environment among students, both physically and psychologically, the college is emphasizing regular counseling to the students.

Facilities for women on campus

Safety and Security: High security system is implemented in the campus by allotting four shifts for the securities by the security agency. CCTV cameras are kept in all lecture halls, Labs and corridors in the college campus. A reporting Committee has been constituted in the college and a complain suggestion box also kept to address any complaints from the students and takes necessary action. College has a zero-tolerance policy towards any such transgression. Each floor of hostel is allotted for a warden in one-to-one basis and sick room also supervised by a special duty warden. Outing from the hostel is permitted
