Human Values and Professional Ethics

7.1.9 Code of conduct handbook exists for students, teachers and academic and administrative staff including the Dean / Principal /Officials and support staff.

1. The Code of conduct is displayed on the website
2. There is a committee to monitor adherence to the code of conduct
3. Institution organizes professional ethics programmes for students, teachers and the academic and administrative staff
4. Annual awareness programmes on the code of conduct are organized

Response: The above mentioned four aspects are followed in the Institution. Institution has a prescribed code of conduct for administrator, faculties, non-teaching staff and students is displayed on the website. College is keen to organize professional ethics programmes for students, teachers and other staff. Institution has its own core values and follows professional code prescribed by Indian Nursing Council. Students are oriented about professional ethics in the orientation programme at the beginning of the academic program. Disciplinary committee monitors and regulates the activities related to code of conduct.
