Principal  
NARAYANA COLLEGE OF NURSING  
Chinthareddypalem,  
NELLORE - 524 003.

- Effective mentor-mentee system and concern for slow learners are assisted through remedial classes.
- Despite location in a rural region, the College has been able to attract students from across the country.
- e - Learning modules to facilitate learning at the own pace of students and online examination to ensure transparency in evaluation.
- Language laboratory in existence to strengthen the Communication skills, Soft skills and job skills.

#### Institutional Weakness:

- Extramural funding for research projects have not been received
- Collaborations with government for research need to be strengthen.

#### Institutional Opportunity:

- Planning to establish doctoral program for Mental Health Nursing and Child Health Nursing
- Developing benchmarking in all façades of quality education in Nursing.
- To reach National and International collaborations funding.
- Strengthening the Alumni Network globally and pan India
- To initiate and strengthen Alumni News letter through Network
- Publishing text books
- OSCE to be effective in student preparation for holistic practice

#### INSTITUTIONAL CHALLENGES:

- To get funding resource to foster the research of global relevance.
- International collaborative research.
- To admit international students for Nursing in Narayana due to government Policy
