prune the skills required for entrepreneurship and told that one should be good listener, observer and learner from multiple sources.

Dr. Sivakumar Vijayaraghavalu, IIC- Convener was invited to give a talk and he delivered his speech as follows -Clara Brant, first nurse entrepreneur started American Red Cross in May 21, 1881; then after so many nursing professionals joined her organization and strengthened it. I will couple more examples to motivate you – Gayle Francis and her husband Steve Francis – were the started a company called - American Mobile Nursing (AMN) in 1985 and in a decade it was renamed as AMN healthcare and started acquiring small staffing companies under its banner. This company is in San Diego, USA and even listed in NYSE.

The competition judge Mrs. Visharadha was invited to share her experience about this competition. She told that she was the alumni of this college , she thanked Dr. S. Indira for her excellent educational service. She also thanked the IIC – President for organizing events like this.

Dr.S.P.Rao, IIC president and Dr.Indira.S, Nursing Dean distributed prizes & Certificates for winners.

IIC – president greeted and welcomed all the IIC members He thanked all the members for their cooperation and requested to conduct the activities for this academic year also. He informed the IIC members about the Ideathon (idea solutions for medical problems) which we are going to conduct on this first quarter. He explained that it will be a national level competition and requested each college within the campus to send the problem statements. So that it can be scrutinized and circulated to get the best solutions from brilliant minds across the nation. In his talk, he emphasized the importance of Innovation, Invention and Entrepreneurship for the advancement of health care and national development.

**23/12/21:**

Mr. Shehebazuddin Shaik shared the hurdles faced during his childhood and the way he overcame all of it. The importance of money and the ways to attain were started rooting from his childhood onwards. As he was growing his thoughts matured and resulted in becoming an entrepreneur with good moral values. He is a self-learned IT professional; he nicely amalgamated his pharmacy knowledge and IT skills and started a firm – 14impressions, a writing firm started on 14th October 2020
