## INTERNATIONAL STUDENT CELL

### Overview

Narayana College of Nursing constituted the International Student Cell in the year 2021 January aiming at facilitating students exchange for clinical training and guiding the graduates for overseas employment. The institution ensures that the graduates meet the global standards and work in sync to deliver a plethora of services across many levels, from public health and preventive services in the community, to primary health care, emergency health services, hospital-based treatment, and rehabilitation and palliative care. Narayana College of Nursing is committed to making its presence felt in the international academic and service circle, thereby the nursing graduates will land in international jobs and higher education opportunities. The institution envisions to attract nursing students from foreign institutions for clinical training and also promotes faculty exchange, which is evident from few faculty of the institution pursuing PhD in Nursing at Lincoln University, Malaysia.

### Activities

- Assist and guide the graduates who desire to work in foreign countries
- Communicates overseas employment opportunity to students
- Facilitate the students to do Periodical interacts with the alumni to service oriented information
- Organise lectures/seminars by faculty from international institutions.
