CURRICULUM PLANNING AND IMPLEMENTATION POLICY

Curriculum Policy Statement

Narayana College of Nursing is dedicated to achieving academic excellence by delivering quality education through effective teaching, research, and ongoing assessment of academic activities. Our aim is to empower student nurses to become independent decision-makers in providing care to those in need.

Objectives

To ensure transparency in all teaching and learning activities across the campus.

Action Plan

1. **Academic Activity Process:** A detailed, step-by-step outline of academic activities is provided.
2. **Annual Planning:** Before the start of the academic year, the curriculum committee meets to prepare for the upcoming year.
3. **Academic Calendar:** An academic calendar is created, encompassing all academic, co-curricular, and extracurricular activities.
4. **Course and Lesson Planning:** Faculty members develop course plans, unit plans, and lesson plans, which are revised based on feedback from the head of the department before being submitted to the principal for final approval. Timetables are then prepared and posted on the notice board.
5. **Use of ICT:** Faculty utilize appropriate ICT tools for content delivery to enhance teaching effectiveness and create a more student-centered learning environment.
6. **Workshops and Programs:** The College regularly organizes workshops, conferences, value-added courses, add on courses and awareness programs to improve teaching effectiveness and boost student employability.
7. **Field Exposure:** Students participate in various field visits throughout their studies.

Dr. Babu
Principal

NARAYANA COLLEGE OF NURSING
Chinthareddypalem,
NELLORE - 524 003.

8. **Department Oversight:** Heads of departments ensure that all departmental activities and research projects are completed on schedule.
9. **Formative Evaluation:** Students undergo formative evaluations every Monday and Saturday. Three internal examinations and one model exam are conducted prior to the summative evaluation. Transparency is maintained throughout the examination process, with a system in place for addressing grievances promptly.
10. **Stakeholder Feedback:** Feedback from stakeholders is collected periodically, analyzed by the IQAC Cell members, and immediate actions are taken based on the responses.

DISCUSSION ON INC SYLLABUS B.SC (N)

Date: 20/01/2020

Agenda

To discuss about the INC syllabus for B.sc (N)

Discussion held

Dr Indira.A Principal Narayana college of Nursing welcomed all the correspondents & Principals of all Nursing colleges

Mr.Prabhudas, Correspondent Dileep College of Nursing thanked all the principals to come over here for the meeting.

It is stated that in the admission criteria, all +2 are included but the student with the science group should only be included

Entrance exam may be excluded and Present system should be continued

Upgrading of School of Nursing to College of Nursing notification may be released and informed to School of Nursing with last date.

Regarding up gradation of School of Nursing to College of Nursing –GO is compulsory and the same has to be addressed to Chief Secretary and high-power committees.

It is represented that day scholar may not be allowed.

All the principals welcomed the concept of semester system

Grading system concept is good.

e-mail : narayana_nursing@yahoo.co.in website : www.narayanannursingcollege.com

Related to parent hospital, clarity to be obtained

It is suggested that a bridge course can be planned to upgrade GNM to B.Sc.(N), which can be done in IGNOU and the same can be offered by the college offering PBB.Sc.(N)

Strength

1. Semester system is good
2. Elective course all accepted & appreciable
3. Subjects & topics all evenly distributed throughout eight semester
4. Duration and time allocation is even & specific
5. Clinical requirements are specific and time bound
6. Credit system is appreciable
7. Teaching learning evaluation process is good
8. New subjects – bioethics, nursing informatics, forensic nursing are need based
9. Modules are considered to be the strength
10. Exam system is appreciated
11. Communicative English is good

Weakness

1. Admission criteria to be made clear.
2. Establishment of skill lab may require large investment
3. Vacation for each student can be given for one week. 40rs/week means then the vacation can be reduced. To specify the month of semester exam will be conducted. Nursing subjects can be the university exam and the interdisciplinary like psychology and sociology subjects can be college exam
4. For the module, clear specification is needed about method of teaching, evaluation & regarding the syllabus

NARAYANA COLLEGE OF NURSING

CHINTHAREDDYPALEM :: NELLORE - 524 003. A.P.

Recognized by Indian Nursing Council vide letter No. 18-918/2002/fac dated : 08.11.2002, Affiliated to NTR University of Health Sciences, A.P. Vijayawada

e-mail : narayana_nursing@yahoo.co.in website : www.narayanannursingcollege.com

5. General science subjects can't be taught by the Nursing faculty within prescribed hours and need to appoint other science background teacher to teach general science subjects.
6. Health care professional are based on science subjects only like MBBS, Dental, Physiotherapy, AYUSH, even lab technician and diploma courses have a science base so Nursing also has to follow the Science group as basic criteria
7. There is a gap between theory & practical hours.
8. The student teacher ratio should be 1:10 as per present norm, the faculties will have job and students may not opt for M.Sc. (N) program in future
9. No entrance is required for students; they can be admitted through merit system.
10. Individual research project can be introduced to students to strengthen the research
11. For quality enhancement in Nursing Ph.D., (N) should be mandatory to become Principal or Vice Principal.
