1.3.1 Institution integrates cross cutting issues relevant to Gender, Environment and Sustainability, Human Values, Health Determinants, Right to Health issues, Emerging Demographic changes and Professional Ethics into the Curriculum

Cross-cutting issues like Professional Ethics, Gender, Human Values, and Environmental Sustainability find ample space when it comes to integrating them positively into the curriculum. We maintain a healthy learning environment for every student. Many of these aspects are included in the curriculum designed by the State Nursing council and Indian Nursing Council.

1.3.1 Institution integrates cross cutting issues relevant to Gender, Environment and Sustainability, Human Values, Health Determinants, Right to Health issues, Emerging Demographic changes and Professional Ethics into the Curriculum

Cross-cutting issues like Professional Ethics, Gender, Human Values, and Environmental Sustainability find ample space when it comes to integrating them positively into the curriculum. We maintain a healthy learning environment for every student. Many of these aspects are included in the curriculum designed by the State Nursing council and Indian Nursing Council.
