PARENT TEACHER MEETING CONDUCTED ON 04/4/2019

Dr. Arjun
Principal
NARAYANA COLLEGE OF NURSING
Chinthareddypalem,
NELLORE - 524 003.

Meeting conducted at 10.30 a.m.
 Principal Dr. B. Vanga Kumari, Dr. V. Kumari
 Vice Principal, Faculty Prof. Shanmuga vadivi,
 Ms. Thajavathi and Parents attended the
 meeting.

Principal Dr. B. Vanga Kumari welcome
 all the parents for participating in the
 meeting. She introduced the faculties attending the
 meeting. She also told the contents / topics to be
 discussed in the meeting.

Discipline: Discipline is the foremost thing
 to be followed. The parents are
 requested to give needed guidance / instruction
 Students should attend classes, clinical
 posting in time. Few students are going for
 absence for classes + clinical Postings.
 This will result in lack of attendance. If a
 student has lack of attendance, the student
 should compensate during the vacation, as
 university insists 80% in theory and 100%
 Practical / clinical hours.

It is noticed that some students
 going outside of hostel / from ward posting
 without prior, proper intimation. This will
 result in problems to the girls as well
 as the institution. If it is identified,
 the students will be suspended from attending
 College. Along with our guidance + disciplinary
 proceeding, it is also responsibility of parents

Dr. B. V. Kumari
 Principal

to give proper guidance / instructions
for the safety of their daughters.

It is also noticed that students
are using mobile phones excessively.
This leads to lack of sleep, lack of
concentration in classes, lateness attendance
to college and clinical postings. Also
lead to health impairment. It will be
better, parents provide simple basic model
of phone to communicate with their daughters
to avoid the above problems. Option is
given to parents to decide.

For the safety of students, Parents
are requested to make arrangements to
visit / to take outings only with authorized
guardians, given at the time of admission.
Avoid parents of other students taking the
students for outing.

Also, the parents requested, to see that,
their daughters are following dresscode whenever
they are going for mess or study hours.
Faculty are also find them and their

Vacation.

It was told that it is the responsibility of parents to ^{bring} send back their daughters in time after completing vacation. 13.7.2024 morning.

Prof. Shanmugavadivu discussed also regarding students dress code for the safety of students; failure among smart students because of excessive use of smart mobile phone. Parents are requested to tell their students how much efforts they are taking for giving education, etc. for the education of their children.

As they (students) are away from the family only for education. As the Management is taking responsibility of providing standard education, hostel facilities and mess facilities, it is also the responsibility of parents to cooperate with college management by instructing, strictly their daughters to follow the rules and regulations related to discipline, hostel rules ~~for~~ mainly for their own safety. Students, those are extending vacation have to compensate later.

Academic instructions.

As third year students have 5 students to learn, it is the parents responsibility to instruct their daughter to focus on academic activities and clinical learning. If they fail in one or more subjects, they will not be allowed to go for Tr year, without passing the pending subjects.

Dr. P. Anj
Principal

The parents should take the responsibility to enquire about their daughter's education, health and other student-related affairs with Principal / coordinators in person whenever they are coming here or by phone through parents group or personal group in office hours. But of office hours only in emergency.

Mr. Jiji Thomas

F/o Jijamol Thomas ~~told~~ accepted that the points to be improved by Principal is 100%. true, especially in punctuality, dress code and regular attendance.

If they are doubting, ^{and if} the coordinator can communicate the message, ~~the~~ assured that they will respond immediately.

Mr. Shorly Joseph F/o Ms. Aroora Joseph

complained that they are not allowed to meet coordinators, as stated by their daughter. ~~They~~ Sharmuga Reddy explained that they can very well approach to enquire about their student's academic performance and other activities.

Mrs. Retharamma sivas M/o Divya Sivan
