REPORT ON LIBRARY USER EDUCATION PROGRAM

A program was conducted on the Library User Education Program in Narayana College of Nursing for I year B. Sc Nursing students on 08.02.2020. We believe that it is our responsibility to make the students familiarize themselves with the library procedure and its digital usage. I year students are new to the environment of the library and not much familiar with the process of the library.

Students were explained regarding the vast possibility of using the e-content of books, journals, etc. through DR. NTRMEDNET access by Ms. Anjani Devi. They were taught how to search for the relevant literature for their academic purpose. All are instructed to give biometric attendance in everyday usage of the library.
