INTERNATIONAL STUDENT CELL

Narayana College of Nursing established the International Student Cell with the aim of facilitating student exchanges for clinical training and guiding graduates towards overseas employment. The institution ensures that its graduates meet global standards and are equipped to deliver a wide range of services across various levels, including public health and preventive services in the community, primary health care, emergency services, hospital-based treatment, and rehabilitation and palliative care.

Narayana College of Nursing is committed to making its presence felt in the International academic and service circle, thereby the nursing graduates will land in International jobs and higher education opportunities. The institution envisions to attract nursing students from foreign institutions for clinical training and also promotes faculty exchange, which is evident from few faculty of the institution pursuing PhD in Nursing at Lincoln University, Malaysia.

The international student cell of Narayana college of Nursing will provide necessary guidance for admission in nursing courses for NRI and Foreign students. The cell is headed by the Principal and all the correspondence relating to international students admission should be addressed to the Principal office.

Narayana College of Nursing is certified by the IAO(International Accreditation Organization) in 2020 for achievement of the highest standards in Organizational Management, Academic Management, and Institutional performance through a commitment to quality and continuous improvement.
