Resolutions:

- 1. Review of Compliance with Indian Nursing Council (INC) Regulations**
The body reviewed current compliance status and identified areas needing improvement like Simulation lab, Clinical posting to complete hours of INC Syllabus modules.
- 2. Organizing More Outreach Activities**
A proposal for increasing outreach activities was discussed. Members agreed to schedule programmes like Diabetic day, Hypertension day, Breast feeding week celebration.
- 3. Utilization of Simulation Lab**
Current usage statistics were reviewed. Suggestions for improved utilization were made, including workshops and training sessions for students.
- 4. Faculty Funded Projects**
The body discussed the importance of faculty-led initiatives and encouraged more submissions for funding which may encourage the faculty members for more research projects.
- 5. Discussion on Fee Waiver Policy**
The existing fee waiver policy was reviewed, with suggestions for adjustments to improve accessibility for students. It was decided to inform the students to meet accountant with required documents like mark sheets of previous year, Community certificate, income certificate and any other certificate as required.
- 6. E-Governance Extension**
Updates on the e-governance implementation were presented. Further training for faculty and staff was proposed and it was decided that technicians from IT Department will explain the process.
- 7. Library Facility Improvement**
Recommendations for enhancing library services and resources were presented. A budget proposal for improvements was agreed upon members.

Resolutions:

1. Confirmation of the previous minutes of meeting
The previous minutes of meeting was discussed and confirmed.
2. Review of Interdisciplinary teaching and learning
Following the discussion, it was decided to conduct regular inter-departmental meetings to provide students with a holistic approach to nursing. It was suggested that these meetings would enable students to clarify their doubts.
3. Discussion on NSS Activities
NSS activities were discussed and after careful deliberation, the following discussions were made:
 - Volunteers will be instructed to undertake a tree-planting drive within the college campus. The aim is to enhance the green cover and contribute to environmental sustainability.
 - The NSS programme officer is tasked with coordinating tree planting drive
4. Career counseling session
It was discussed that the career counseling committee was instructed to ensure that counseling sessions will be taken by consultants, Alumni and HR Department.
5. Update on ICT facility
It was noted that existing computers and printers require updating to meet the evolving technological demands and to ensure seamless operations within the department. After thorough deliberation it was unanimously decided to proceed with Update of computers and printers: it was agreed to allocate necessary funds for procurement and installation of updated computers and printers within the department. This action aims to enhance productivity and efficiency by providing staff with reliable and up-to-date equipment.
6. Preparation of academic calendar
The curriculum committee formulated the academic calendar for the year 2022-2023 which was approved by all members.
7. INC inspection
As INC inspection could happen anytime, departments to keep updating records.
8. Any other matter

Resolutions:

1. Confirmation of the previous minutes of meeting
The previous minutes of meeting was discussed and confirmed.
2. Library resource enhancement
It was decided to provide more recent edition textbooks and periodical resources in the library. Library in-charge was asked to make arrangements for the same.
3. Update on ICT facility
It was noted that existing computers and printers require updating to meet the evolving technological demands and to ensure seamless operations within the department. After thorough deliberation it was unanimously decided to proceed with Update of computers and printers: it was agreed to allocate necessary funds for procurement and installation of updated computers and printers within the department. This action aims to enhance productivity and efficiency by providing staff with reliable and up-to-date equipment.
4. Discussion on innovative teaching learning methods
It was discussed the importance of introducing the innovative teaching learning methods
5. Preparation of academic calendar
The curriculum committee formulated the academic calendar for the year 2022-2023 which was approved by all members.
6. Up gradation of the website
It was recommended that existing website needs further up gradation and Updation for both Department wise and criteria wise.
4. Research and publications
Principal highlighted the significance of research and publication endeavors within the institution. It was noted that fostering a culture of research and scholarly publication is paramount for academic growth and institutional reputation enhancement. To gauge the progress made in this regard, the principal requested the research coordinator to provide an overview of the research and publication output for the current academic year and to prepare a detailed report on the current state of research and publication activities. It is directed that all faculty members should actively participate in research related workshops and initiatives organized by the institution.
7. Any other matter-
With no other matter for further discussion the meeting was concluded.

Resolutions:

1. Confirmation of the previous minutes of meeting
The previous minutes of meeting was confirmed and discussed
2. Preparation of academic calendar for the next academic year
The curriculum committee was instructed to make academic calendar after collecting the details of programs and events to be conducted in the next year from HODs of all the departments
3. To motivate faculties to attend more FDPs/webinars
It was decided to instruct all the faculty members to attend more number of Faculty Development Programme /webinars/conferences to update their knowledge.
4. To monitor students' attendance and performance
The committee discussed the importance of closely monitoring student attendance and performance across all classes. It was emphasized that consistent attendance and satisfactory performance are crucial for academic success and overall development. Class coordinators and curriculum committee members are encouraged to take the responsibility of diligently tracking students' attendance and performance. In case where students' attendance or performance falls below the expected standards, mentors are instructed to take proactive measures. Mentors should promptly reach out the respective student to discuss concerns and offer support. Moreover, mentors are required to communicate with their parents or guardians of those students to appraise them and solicit their cooperation in addressing the issues at hand.
5. Review of periodic inspection preparation
All departments were asked to review the inspection requirements and comply with the same.
6. Schedule of meetings of various committees
All the members suggested to formulate the various committee for smooth running of curricular, co-curricular and extra-curricular activities based on the requirements.
It was decided to conduct regular meetings by all the committees to discuss the achievements and to plan for further activities.

e-mail: narayana_nursing@yahoo.co.in website: www.narayanannursingcollege.com

Resolutions:

1. Confirmation of the previous minutes of meeting
Review and approve the minutes from the last meeting.
2. Plan for online teaching
Online course to teach students how to manage their time better since the student should bear the responsibility of engaging with the course instead of simply showing up to class on an assigned day and time. As a result, students not only gain knowledge from online classes, but they sharpen their time management skills.
All staff were instructed to take online classes due to covid lockdown. The procedures and practice for conduct of online theory lectures were discussed. The ZOOM platform was recommended as the platform for delivering the lectures.
3. To monitor the attendance of students' during online classes
Attendance to be monitored closely and all staff members were instructed to give assignments to students on regular basis. It was unanimously agreed upon that student attendance in online classes should be closely monitored to ensure active participation and engagement. Faculty members were directed to maintain meticulous records of student attendance during each online session, documenting both presence and active participation. In order to maintain rigor and continuity, it was decided that all staff members must provide regular assignment and it should be relevant to the course material and designed to assess students' understanding and application of concepts covered in online classes.
4. Encourage various teaching learning methods
Faculty members were encouraged to diversify assignment formats including written tasks, projects, quiz and interactive exercises to accommodate various learning styles and foster comprehensive learning.
5. Preparation for periodic inspection – the following points were discussed:
 - All HODs were asked to understand the specific requirements outlined by INC, APNMC and University. This might include safety protocols, record-keeping, cleanliness, standards etc. make sure all the departments are aware of these requirements.
 - Follow the check list to prepare the documents for inspection.
6. Fee structure for the year of 2020-2021
The fees structure was discussed and the members were decided to waive the fees for the deserved students as Fee waiver policy.
