INTERNAL QUALITY ASSURANCE CELL

MECHANISM

MECHANISM OF THE IQAC

IQAC of Narayana college of Nursing was established in 4th February 2020. The chairperson of IQAC is the principal of NCON. Participants include Management, IQAC coordinator, Administrative officer, Faculty members, Student Members and Alumni members. In order to improve the quality in multiple areas, the institution comprises multiple committees operating under the IQAC.

IQAC meeting are held on regular basis. It provides a venue where academic and non-academic stakeholders can debate harmonizing actions that ought to be implemented for the general well-being of the institution and its stakeholders. It serves as a forum for both academic and non-academic stakeholders to discuss the harmonizing measures that should be put in place for the institution's and its stakeholders' overall well-being.

Vision of the IQAC

To establish and maintain a quality culture focused on over all institutional excellence.

Mission of the IQAC

- To establish and systematize the institution progress towards academic excellence.
- To serve as the institution's catalyst for promoting quality execution, quality maintenance, and quality excellence in the administrative, academic, and student support functions.

STRATEGIES:

IQAC shall evolve mechanism and procedure for:

- Assuring academic, administrative, and financial activities are completed in an efficient way within given time.
- Academic and research program with relevance and excellence.
- Access to affordable academic program for students.

- Modern teaching and learning methods are being optimized and integrated.
- Ensure that the supportive structure and services are adequate, well-maintained and functional.

FUNCTIONS:

Some of the functions are expected of the IQAC are:

- Developing and implementing quality benchmarks/parameters for the institution's various academic and administrative activities facilitating the creation of a learner centric environment conducive to quality education to adopt the necessary knowledge and technology for participatory teaching and learning.
- Arrangement for feedback response from students, parents and other stakeholders on quality-related process.
- Dissemination of information on various quality parameters of higher education.
- Organization of inter and intra institutional workshops, conferences at national and international level on quality related themes and promotion of quality circles.
- Documenting the numerous programs/activities that lead to quality improvement; serving as the institution's nodal agency for coordinating quality-related activities, including the adoption and distribution of best practices.
- MIS- based development and maintenance of institution database for the purpose of maintaining/ improving institutional quality.

RESPONSIBILITIES OF IQAC:

- Ensure a higher level of clarity and focus in institutional operation in order to improve the quality of education.
- Ensure that the quality culture is internalized.
- Ensure that the institution's varied activities are enhanced and coordinated, as well as that all good practices are institutionalized.
- To strengthen institutional functional helps to provide a solid foundation for decision-making.
- Act as a dynamic mechanism for quality changes in institution.
- Create a technique for documentation and internal communication that is well organized.
