Message From Principal's Desk

EDUCATION BREEDS CONFIDENCE, CONFIDENCE BREED HOPE, HOPE BREED PEACE

Greetings from the Narayana College of Nursing. My warmest congratulations to you for choosing to pursue a career in nursing in order to improve both your personal and professional lives. In India and around the world, the nursing profession is a vital component of the health care system. Regarding the Indian educational system and the employment chances that are available, it has multiplied and established new trends. Compared to the other professional programmes offered through India's higher education system, nursing enjoys an equal standing. Because there is just one profession that is expressly trained to provide nursing services, India has the third-largest healthcare professional group in the world, which is a result of these factors. Due to the foregoing, I would want to categorically claim that Narayana college of nursing, established in the year 2002, is functional in acute liaison with its vision and mission as an universal leader for innovations, research, education, attitude and practice to create positive changes in all health care settings and outcome.

The institution features a modern infrastructure, well-stocked library, fully furnished dorms, and a canteen. It also offers laboratories that are ultra-modern, well-equipped, and roomy. Additionally, it features a placement cell that is open 24 hours a day, 7 days a week, and which is crucial for providing qualified students with prompt, appropriate guidance in line with their abilities. For each student's holistic development, the institution also organizes training sessions, guest lectures, seminars, conferences, workshops, FDP, sporting events, cultural activities, etc. The conduction of soft skill training sessions by the professionals is an attempt to help students become job ready.

Totally 47 participants were in the session; which included 23 staff and 24 student members. Dr. Rajkumar Ranjan Singh, Honorable Minister of State for Education and External Affairs, Govt. of India was the 'Chief Guest' for the program while Prof. K. Vijaya Raghavan, Principal Scientific Advisor, Govt. of India was the 'Guest of Honor'. All the sessions of the webinar were very fruitful as the renowned speakers gave wonderful suggestions to shape the future of our Country through building an innovation & an entrepreneurial ecosystem.

19th August, 2021,

Institute Innovation Council Session on Building an Innovation/Product Fit for Market on 19th August, 2021, 11 am at Gray's Lecture Gallery, Narayana Medical College. The session was presided by Dr. S. Indira.A Principal of Narayana Nursing Colleges, Nellore, AP. The IIC - Convener, Dr. Sivakumar Vijayaraghavalu welcomed the audience and introduced the speaker.

Guest Speaker – Mr. Arun Sethuraman.

Session on his innovation

Mr. Arun Sethuraman, was kind enough and readily accepted to deliver a talk despite his busy schedule.He delivered his talk. The session was highly informative and

interactive; he presented the case study and asked questions from it; IIC – student member named Ms. Vengamma answered brilliantly and got applause from the all in the auditorium including the guest speaker. For same problem, Dr. Chinni Suneel, Professor and IIC- staff member answered in a different perspective which was also much appreciated by audience.

Honoring by Nursing Faculty IIC members

24 August, 2021

Institute Innovation Council

Conducted its First Council Meeting for Academic Calendar 2021-22 on October 21, 2021, 12 pm at Council Hall, Narayana Medical College.

IIC - president greeted and welcomed all the IIC members He thanked all the members for their cooperation and requested to conduct the activities for this academic year also. He informed the IIC members about the Ideathon (idea solutions for medical problems) which we are going to conduct on this first quarter. He explained that it will be a national level competition and requested each college within the campus to send the problem statements. So that it can be scrutinized and circulated to get the best solutions from brilliant minds across the nation. In his talk, he emphasized the importance of Innovation, Invention and Entrepreneurship for the advancement of health care and national development.

23.12.2021:

Mr. Shehebazuddin Shaik shared the hurdles faced during his childhood and the way he overcame all of it. The importance of money and the ways to attain were started rooting from his childhood onwards. As he was growing his thoughts matured and resulted in becoming an entrepreneur with good moral values. He is a self-learned IT professional; he nicely amalgamated his pharmacy knowledge and IT skills and started a firm – 14impressions, a writing firm started on 14th October 2020.

Session on his Invention
