7.1.2: Specific facilities provided for women

SAFETY AND SECURITY

A reporting Committee has been constituted in the college and a complaint box also kept to address any complaints from the students and takes necessary action. College has a zero-tolerance policy towards any such transgression. The college is providing a safe and conducive work and academic environment to students and its employees and is extremely alert to matters pertaining to any kind of harassment and gender sensitivity.

High security system is implemented in the campus by allotting four shifts for the securities by the security agency. CCTV cameras are kept in all lecture halls, Labs and corridors in the college campus. Each floor of hostel is allotted for a warden in one-to-one basis and sick room also supervised by a special duty warden. Outing from the hostel is permitted only with the parents and hostel will be closed at 10 pm with attendance every day to make sure the safety of the students.

Anti-ragging Committee is formed as per the U.G.C. guidelines. Every year the students at the entry level sign an affidavit and submit to the AISHE about non- involvement in ragging activities. Following that counseling regarding ragging conduct for both students and parents. Anti-ragging Committee and Squads carry out rounds in the hostel as well as mess, where the students will group together. They make sure that there are no instances of ragging anywhere in the hostel or anywhere in the campus. Anti-ragging posters are prominently displayed at all prominent places within the Campus. Every day hostel rounds by the squad also makes sure the student's safety and comfort. Main gates are guarded and entry points are screened.

COUNSELLING

As a part of nurturing the healthy environment among students, both physically and psychologically, the college is emphasizing regular counseling among students. Regular counseling is carried out by the faculties in the college and referral services to the clinical psychologist will be providing depends on the severity of the problem assessed. The counseling service benefits the students in two broad ways, personal and group counseling.

1. Group counseling

- Group counseling improved the belonging of the students who is suffering various problems especially students dealing with anger management issues, anxiety, depression or other life struggle. Their feelings of isolation likely become lessened as they begin to hear the stories of others and realize they struggle, as well.

2. Individual counseling helps students enhance their communication and interpersonal skills, boosting self-confidence and self-esteem. It fosters self-awareness, allowing them to recognize and change self-defeating behaviors. Through counseling, students improve their emotional expression, stress management, and decision-making abilities. It also offers relief from mental health issues like depression and anxiety, while honing problem-solving and conflict resolution skills.
