POLICY AND PROCEDURE -GREEN CAMPUS POLICY

Purpose:

The Green Campus Policy of Narayana College of Nursing aims to create a sustainable, eco-friendly environment within the campus by promoting environmental awareness, reducing carbon footprints, and encouraging sustainable practices in all aspects of campus life. This policy integrates environmental considerations into decision-making processes, ensuring that the college acts as a responsible steward of natural resources.

Scope:

This policy applies to all students, faculty, staff, and visitors of Sree Narayana College of Nursing. It covers campus facilities, operations, events, and activities, including waste management, energy consumption, water usage, transportation, and green spaces.

Objectives:

- ✓ **Promote Environmental Awareness:** Educate and involve the campus community in sustainability practices.
- ✓ **Energy Efficiency:** Reduce energy consumption through efficient use of resources and renewable energy sources.
- ✓ **Water Conservation:** Implement strategies to reduce water usage and encourage water-saving practices.
- ✓ **Waste Management:** Minimize waste generation, promote recycling, and encourage responsible disposal of hazardous waste.
- ✓ **Biodiversity and Green Spaces:** Protect and enhance biodiversity by maintaining green spaces and planting trees.

e-mail: narayana_nursing@yahoo.co.in | principal.ncn@narayanannursingcollege.com

website: <https://www.narayanannursingcollege.com>

- ✓ **Sustainable Transportation:** Promote walking, cycling, carpooling, and the use of public

1. PROCEDURES:

- To sensitize the students/ faculties and staffs to minimize the use of polluting product.
- To increase the usage of renewable sources of energy such as
 - ✓ improvising the solar plant
 - ✓ implementation of biogas plant
 - ✓ usage of automatic cut off system with sensors
 - ✓ Replacing CFL bulbs with LED bulbs, etc.
- To improvise the waste handling methods so that the waste disposed from university campus do not create any sort of pollution to the environment. The waste includes
 - ✓ solid waste of all form from the campus
 - ✓ liquid waste
 - ✓ biomedical waste
 - ✓ Hazardous chemicals from laboratories, etc.
- The e-waste of the university must be properly handed over to approve e-waste handling agencies so that they do properly discard and dispose them.
- The water conservation facilities of the university such as
 - ✓ rainwater harvesting pits
 - ✓ surface water conserving facility
 - ✓ recycling the waste water from campus
 - ✓ proper water distribution system in the campus
- To motivate students/ faculties and staffs to adopt environment friendly practices which include paper bags, save electricity, etc.
- Improving the green system of the campus in all aspects like

website: <https://www.narayanannursingcollege.com>

- ✓ To reduce the use of vehicles in order to save non renewable source of energy
- ✓ To gradually decrease and attain the zero point of usage of single use plastics
- ✓ To promote the usage of bicycles and walking culture which makes everybody fit.
- ✓ Make the campus green gradually increasing the green cover of the University.
- To take necessary steps to protect the environment.

CARBON NEUTRAL INITIATIVE PLANTATION

Name of Activity organized	Carbon neutral initiative plantation
Title of the programme	Carbon neutral initiative plantation
Date of activity organized	16 th sep 2022
Name of the coordinator of Activity	Mrs.Ushakiran
Place of the Activity	Narayana college of nursing
No. of participant(student +staff)	10 students 2 faculty
Name of the sponsored organization	NSS Cell NTRUHS
Nature of sponsorship	Dr. N.T.R.UHS
Objective of the Activity	Carbon neutral plants plantation
Outcome of the Activity	To increase oxygen levels in the campus helps to neutralize the carbon dioxide

Report of the Activity

Our college launched an extensive Plantation Programme on the occasion of the World Environment Day in different parts of our locality. The students and teachers selected the empty places and planted the plant saplings in a well-organized way. In order to restore the eco-balance of the forestation drive was taken with all seriousness. Participants were highly enthusiastic to make it a big success. The students planted saplings, and watered the plants. Every step of the programme was appreciated by the representatives of the administration. The programme created a great stir among the general public too. Nss team had participated on programme conducted by Higher education committee of Narayana College of nursing initiated the plantation of about 200
